# **Selecting Applicants from the Waiting List**

# **Selecting Applicants**

Families selected for participation in the Section 8 Program are taken from the Waiting List by local preference, starting with the earliest date on accepted preliminary applications. Priority is given to those families with a local preference using the preference system described later in this section so that no family without a local preference is selected before a family with a local preference.

When funding is available and assistance can be provided, families on the Waiting List are contacted in writing to inform them of the availability of funding and requested to complete a Tenant Information Form, Authorization Form, and a Citizenship Declaration Form and return the forms to the program office in the envelope provided within fourteen days. Families that do not respond to this letter are removed from the waiting list and given no further consideration. Letters returned as undeliverable because the family has moved and not left a forwarding address are treated the same as families that do not respond.

Disabled applicants are not removed from the Waiting List until personal contact is made with the disabled person by a program manager to insure that a disabled person is not denied the opportunity to qualify for rental assistance solely due to his/her disability.

### **Preferences**

Preference in assigning applicants to the waiting list will be given to eligible families that, at the time they are seeking housing assistance, claim that they are involuntarily displaced, living in substandard housing or homeless, or paying more than 50 percent of family income for rent.

Preferences are ranked using a residency preference based on the Village of Sea Cliff residency preference area, defined as the Village of Sea Cliff where the Section 8 Program is authorized to operate a rental assistance program. in accordance with the following system:

#### -First Preference

Applicants claiming a local preference are those who live in the Village of Sea Cliff residency preference area or whose head of household, spouse, or any other family member work, or has been hired to work, in the Village of Sea Cliff residency preference area.

#### -Second Preference

Applicants claiming a local preference who do not live in the Village of Sea Cliff residency preference area or whose head of household, spouse, or any other family member do not work, or have not been hired to work in the Village of Sea Cliff residency preference area.

#### -Third Preference

Applicants not claiming a local preference who live in the Village of Sea Cliff residence preference area or whose head of household, spouse. or any other family member works, or has been hired to work in the Village of Sea Cliff residency preference area.

#### -Fourth Preference

Applicants not claiming a local preference who do not live in the Village of Sea Cliff residency preference area or whose head of household. spouse. or any other family member does not work, or has not been hired to work in the residency preference area.

#### -Single Person

Elderly, disabled, and displaced single persons and families whose head or spouse is elderly or disabled will be given preference over single persons who are not elderly disabled, or displaced, irrespective of

local preference.

The Village of Sea Cliff does not exercise its discretionary power to assist non-preference families through local preferences, nor does it verify preferences as a requirement for placement on the waiting list. Verification of preferences is delayed until occupancy consideration.

# **Closing the Waiting List**

When the Village of Sea Cliff closes its entire waiting list, or any part of its waiting list, public notice concerning the closing of the entire list, or any part of the entire list, will be placed in the daily newspaper used by the Town Housing Agency for official notices, and in any weekly newspaper of general circulation.

Such notice will comply with the fair housing and equal opportunity requirements of the City of Glen Cove, and Department of Housing and Urban Development requirements.

# **Reopening the Waiting List**

When the Village of Sea Cliff opens or reopens its entire waiting list, or any part of its waiting list, public notice that families may apply for assistance will be placed in the daily newspaper used by the Village of Sea Cliff for Official notices, and in any weekly newspaper of general circulation.

The public notice will state where and when to apply and state any limitations on who may apply for available slots in the program.

# **Single Waiting List**

A single waiting list is used for the voucher program. Additions to the waiting list are always accepted and the Village of Sea Cliff does not anticipate the need to suspend accepting or processing new preliminary applications or adding new applicants to the waiting list. However, should the need arise to close the waiting list, or any part of the waiting list, procedures already stated in this Administrative Plan will be followed.

# **Issuing or Denying Vouchers or Certificates, Terms, Extensions and Suspensions**

#### **Issuing or Denying Vouchers or Certificates**

As part of the selection process, families on the Waiting List are contacted and told that they will be awarded a voucher if their eligibility as stated in their preliminary application can be verified.

Families that are income eligible, qualify as a family under this administrative plan, and are citizens or nationals of the United States, or eligible noncitizens, are given oral briefings and offered a voucher.

Vouchers are issued until available funding is utilized. Projections of the number of each that may be issued is based on a financial projection model that Uses past program experience and Annual Contributions Contract Reserve to determine the number of vouchers that may be issued over a five-year period, given available funding. The projection model is checked each quarter to determine if adjustments are required.

Vouchers are issued based on subsidy standards stated elsewhere in this Administrative Plan. Families may be issued smaller Vouchers than called for in the subsidy standards if the unit they choose to occupy is smaller than the size unit they would normally occupy, as long as the standard of two persons per living/Sleeping area is not exceeded.

Families may also choose to occupy larger units than indicated by the subsidy standards in this Administrative Plan, but the maximum subsidy will always be limited to the Fair Market Rent or Payment Standard applicable to the size unit approved by this Agency.

### **Terms**

Vouchers issued shall be valid for a period of 60 days. All families will be notified thirty days prior to the expiration of their Voucher to determine if they have found a suitable unit, or if they require assistance in finding such a unit.

#### **Extensions**

Extensions will be granted on Vouchers, not to exceed a total of an additional 60 days, if the family can demonstrate that it has actively attempted to find a suitable dwelling unit.

Such demonstration shall include names and addresses of owners who have been contacted and reasons why potential dwelling units have been rejected. Unless such extensions have the effect of denying other families access to rental assistance, extensions will normally be granted until Voucher holders are able to secure suitable housing.

Vouchers issued to persons with disabilities will automatically be extended at the holder's request to the full 120 day period allowable under HUD regulations.

# **Suspension**

The term of a voucher will be suspended from the time when the family submits a request to this agency for approval to lease a unit, until the time when this agency approves or denies the request, provided that each such suspension does not exceed thirty days. No more than three such suspensions will be authorized for a certificate or voucher holder, unless this agency finds extenuating circumstances warranting such suspension.

# **Special Purpose Funding**

Special purpose funding, funding for specified families, or a specified category of families, issued by HUD will always follow directives issued by HUD at the time funding is provided. If required and acceptable to this agency, the contents of this Administrative Plan will be amended at the time special funding is provided.

# **Definition of a Family and Definition of Continuously Assisted**

### **Definition of a Family**

The definition of family and the family's eligibility for assistance and placement on the waiting list is based

on eligibility and occupancy criteria established by the U.S. Department of Housing and Urban Development, as well as this agency's policies. Eligible families and individuals that may be placed on the Waiting List, in addition to meeting preliminary income and all other preliminary eligibility criteria, must be one of the following:

A disabled person or family whose head or spouse or sole member is disabled;

A displaced person or family;

A homeless person or family;

An elderly person or family whose head or spouse or sole member is at least sixty-two years of age;

Two or more persons sharing residency as a family irrespective of age;

A single person of any age who is an expectant mother, or in the process of securing legal custody of a minor;

A single person of any age.

**A disabled person** is defined as a person who is under a disability as defined in section 223 of the Social Security Act, or who has a developmental disability as defined in section 102(7) of the Developmental Disabilities Assistance and Bill of Rights Act, or a disabled person having a physical or mental impairment which (1) is expected to be of long-continued and indefinite duration, (2) substantially impedes his or her ability to live independently, and (3) is of such a nature that such ability could be improved by more suitable housing conditions.

**A displaced family** is a family that has been displaced by government action and is required to move by the Local Government, a State Government, or a local government, or a family that is required to move due to a disaster that is declared or formally recognized by the Local Government.

**A homeless family** includes any individual or family who currently lives in substandard housing where substandard is defined as involving a unit that is:

Dilapidated and does not provide safe and adequate shelter, and in its present condition endangers the health, safety, or well-being of a family, or has one or more critical defects in sufficient number or extent to require considerable repair or rebuilding. The defects may involve original construction, or they may result from continued neglect or lack of repair or from serious damage to the structure, or

- ♦ Does not have operable indoor plumbing, or
- ♦ Does not have a usable flush toilet inside the unit for the exclusive use of a family, or

- Does not have a usable bathtub or shower inside the unit for the exclusive use of a family, or
- Does not have electricity, or has inadequate or unsafe electrical service, or
- ♦ Does not have a safe or adequate source of heat, or
- Should, but does not, have a kitchen, or
- Has been declared unfit for habitation by an agency or unit of government

A homeless family is also defined as a family that lacks a fixed, regular, and adequate nighttime residence and has a primary nighttime residence that is:

A supervised publicly or privately operated shelter designed to provide temporary living accommodations (including welfare hotels, congregate shelters, and transitional housing for the mentally ill), or

An institution that provides a temporary residence for individuals intended to be institutionalized, or

A public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings

A homeless family does not include any individual imprisoned or otherwise detained pursuant to an Act of the Congress or a State law.

### **Continuously Assisted Family**

A family that has been continuously assisted under the 1937 Housing Act will be placed on the waiting list or assisted using the low-income limits published by the Department of Housing and Urban Development.

A family will be considered continuously assisted if the family is already receiving assistance under any 1937 Housing Act program when the family is admitted to the certificate or voucher program.

If a continuously assisted family's assistance is temporarily interrupted for a period exceeding sixty days before changing programs and being admitted to the agency's program, such interruption will cause that family to lose their status as a continuously assisted family.

# **Encouraging Participation by Owners of Suitable Units Located Outside Areas of Low Income or Minority Concentration**

Contact with owners, brokers, property managers, and associations of these groups encouraging participation by owners of suitable units located outside any areas of low income or minority concentration will initially be made through a community-wide information program.

While there are significant low income or minority population concentrations within this housing agency's jurisdiction, there are income eligible minorities in the housing market area and special efforts will be required to attract these groups to the program and inform them of the availability of housing opportunities in areas outside of impacted areas.

Paid advertisements and press releases, stressing the advantages to owners who participate in the program, will be placed in the daily newspaper used by this agency for official notices. and in any weekly newspaper of general circulation. Advertisements and press releases will appear at the start of the application period and throughout the program as required. Advertisements will also be placed in the classified sections of local newspapers, if necessary in an attempt to encourage more owners to participate in the program. All advertisements will comply with Advertising Guidelines for Fair Housing, of the Department of Housing and Urban Development.

Press releases will be issued at the start of the application period, and during the program as required, and distributed through the media list. Press releases will stress the advantages to owners who participate in the program, and will conform with Advertising Guidelines for Fair Housing of the Department of Housing and Urban Development.

In order to interest owners in participating in the program, information concerning potential rehabilitation of existing units through lease-secured loans or rent increases will be provided and discussed with local banks, as necessary.

# Assisting a Family that Claims Illegal Discrimination has Prevented the Family from Leasing a Suitable Unit

Assistance will be provided when a family alleges that illegal discrimination is preventing that family from finding a suitable unit. In such cases, families will be counseled on their rights, and where required. will be referred to appropriate local, county or state human rights organizations for additional assistance and resolution of the alleged discrimination.

Applicants or participants claiming to have been subjected to discrimination because of race, color, religion, sex, disability, familial status, or national origin in search for housing, or in the housing they currently occupy will be asked to complete the Housing Discrimination Complaint Form and mail to the nearest HUD office. Assistance with completing the form and mailing it to the nearest HUD office will be provided by this agency.

# A Statement of our Agency's Policy on Providing Information About a Family to Prospective Owners

An agency administering Section 8 is not subject to local Freedom of Information Act (FOLA) and Privacy Act requirements. The decision whether to release or deny release of pro-gram information generally rests in the discretion of the housing agency, subject to any restrictions under State or local law concerning disclosure of information obtained pursuant to the family's verification release or consent.

# **Disapproval of Owners**

### **Mandatory Denial**

If so directed by HUD, this agency will not approve rental from the owner when the owner has been the subject of equal opportunity enforcement proceedings, as follows:

The local Government has instituted an administrative or judicial action against the owner for violation of the Fair Housing Act or other local equal opportunity requirements, and such action is pending.

A court or administrative agency has determined that the owner violated the Fair Housing Act or other local equal opportunity requirements.

In all cases of mandatory denial, this agency must be presented with appropriate documentation by HUD or another agency concerning disapprove and owner.

#### **Discretionary Denial**

This agency may, on a case-by-case basis, deny or delay approval to lease a unit from an owner for any of the following grounds:

The owner has violated obligations under a HAP contract under Section 8 of the 1937 Act

The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any local housing program

The owner has engaged in drug-trafficking

The owner has a history or practice of noncompliance with the HQS for units leased under the tenant-based programs, or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other local housing program

The owner has a history or practice of renting units that fail to meet State or local housing codes

The owner has not paid State or local real estate taxes, fines or assessments.

# **Subsidy Standards**

Applicants that are expected to meet the family eligibility and income requirements of the Section 8 Program are placed on the waiting list by preference, date, and time of application. Size of unit is established for each applicant according to the following occupancy standards:

Non spousal adults are not placed in the same bedroom

Minors of different sex are not placed in the same bedroom

Two minors of same sex are placed in same bedroom

Documented single expectant mothers expecting their first child are given two bedrooms

Persons securing legal custody of a minor or minors are provided with additional bedrooms to house the minor or minors.

Bedrooms are provided for required care persons

Elderly or non elderly couples with medical documentation are given two bedrooms.

Single persons who are either age 62 or older and disabled, or displaced are always assigned one bedroom or smaller units.

# **Family Absence From the Dwelling Unit**

A family may be absent, meaning that no member of the family is residing in the unit, from its assisted unit for brief periods, but the family may not be absent from the unit for a period of more than 180 consecutive calendar days under any circumstance. or for any reason.

Housing assistance payments will terminate if the family is absent for longer than the maximum period of 180 consecutive days, and the HAP contract and assisted lease also terminate at that time.

The assisted family must cooperate with this agency and supply any information or certification requested to verify that the family is residing in the unit, or relating to family absence from the unit.

Assisted families must promptly notify this agency of any planned absence from the unit exceeding 30 consecutive days and supply any information requested by this agency on the purposes of such family absences. Absences exceeding 30 days that are not reported, or not consistent with the policies of the Section 8 program may lead to termination of assistance.

Visitors are limited to a maximum of thirty consecutive days. Visitors exceeding that time limit will be considered members of the tenant family and cause the tenant family to be recertified.

### How to Determine Who Remains in the Program if a Family Breaks Up

If the adult members of an assisted family separate, this agency will assign the assistance to an eligible family member as follows:

Assistance will remain with family members remaining in the original assisted unit if no minor children are members of the assisted family, the member of family remaining in the unit is not guilty of any violent criminal activity or drug abuse activity, and the member of the family remaining in the assisted unit is eligible for assistance under the regulations of the Section 8 program and this administrative plan.

Assistance will remain with the family member caring for minor children, an elderly person, or disabled family member if the member of family remaining in the unit is not guilty of any violent Criminal activity or drug abuse activity, and the member of the family remaining in the assisted unit is eligible for assistance under the regulations of the Section 8 program and this administrative plan.

Family members forced to leave the unit as a result of actual or threatened physical violence against family members by a spouse or other member of the household will be given first consideration in

assigning assistance.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement or judicial decree, this agency will be bound by the court's determination of which family members continue to receive assistance in the program.

### **Informal Review Procedures for Applicants and Participants**

Appeals arising out of actions and determinations made through this agency's Section 8 Program, will be adjudicated under informal review procedures for applicants. informal meetings for applicants that have been denied a preference, informal review procedures for applicants who have been denied assistance because they lack eligible non-citizen status, and under informal hearing procedures for participants. Applicants and participants are given prompt written notice of an action or determination by this agency that is subject to appeal, a brief statement of the reasons for the action or determination, provided with instructions on how to initiate an appeal, and given a time limit for initiating an appeal.

# Timing for Informal Reviews, Hearings, and Meetings

Informal reviews, informal meetings, and informal hearings must be requested by affected parties within ten days of the receipt of the notification of the action or determination reached by this agency, except that informal hearings related to non-citizens must be requested by affected parties within fourteen days of the receipt of the notification of the action or determination reached by this agency. Upon request of the affected party, this deadline may be extended for an additional ten days. No extensions will be allowed after the second ten-day or fourteen-day period.

Section 214 of the Housing and Community Development Act of 1980, as amended, generally prohibits HUD from providing housing assistance to aliens unless they meet certain residency qualifications.

### (a) Eligibility of Noncitizens

To be eligible for housing assistance, noncitizens must fall into one of the following

categories:

- 1. Lawfully admitted for permanent residence;
- 2. Lawfully admitted for temporary resident status as special agricultural workers;
- 3. Granted refugee or asylum status or granted conditional entry because of persecution or

fear

- 4. Granted parole status by the attorney general;
- 5. Lawfully present because the attorney general withheld deportation because of a threat

to life or free

6. Granted amnesty for temporary or permanent residence.

### **Policies Concerning Minimum Rent**

The minimum tenant's share of rent for all participants in this Agency's rental assistance program is \$50.00 per month. Exceptions for the minimum payment of rent may be made due to extenuating circumstances at the discretion of the Agency.

### **Portability**

Program rules allow a family to gain admission to the certificate or voucher program in one area and then use that assistance to lease a unit in another area.

An assisted family may lease a unit anywhere in the jurisdiction of the PHA issuing the certificate or voucher (the initial PHA). Also, the family generally may use the certificate or voucher to lease a unit in the same state as the initial PHA, in the same metropolitan statistical area (MSA) as the initial PHA but in a different state, in an (MSA) adjacent to the (MSA) of the initial PHA but in a different state, or in the jurisdiction of a PHA anywhere in the country that is administering a tenant-based program. However, if neither the head of household nor spouse resided in the jurisdiction of the initial PHA when applying for assistance, the family has no right to lease a unit outside of the initial PHA's jurisdiction for twelve months, though it may go outside of the jurisdiction with the approval of the initial PHA and the PHA in the area to which the family is moving (the receiving PHA).

The family must meet the income requirements for the area in which it initially leases a unit. If the family moves to another area and transfers between the certificate and voucher programs, it must be income-eligible for the new program in the area where it leases an assisted unit. No redetermination of income eligibility is required after a move if the family remains in the same program.

### **Tenant's Right to Move**

An assisted family may move to a new unit if the assisted lease for the old unit

has terminated; the owner has given the tenant a notice to vacate, has commenced an action to evict the family, or has obtained a court judgment or other process allowing the owner to evict the family; or the family has given notice of termination of the lease.

A family may move one or more times with continued assistance, either within the jurisdiction of the initial PHA or to the jurisdiction of another PHA. A PHA may establish policies that prohibit any move during the first year of assisted tenancy or more than one move by a family during any one-year period. These policies may apply both to moves within the PHA's jurisdiction and to moves outside of that jurisdiction.

### **Portability Procedures**

The portability procedures for the tenant-based assistance program provide for a sharing of responsibilities between the initial and receiving PHA. The initial PHA will be responsible for determining whether the family is income-eligible for the area where the family wants to lease a unit. The initial PHA must tell the family how to contact and request assistance from the receiving PHA, and the initial PHA must notify the receiving PHA to expect the family.

### Administration by Initial PHA

The initial PHA must administer assistance for a moving family if the unit to be leased is located within the same state, the same PHA, or an adjacent PHA and no other PHA with a tenant-based assistance program has jurisdiction over the area. To allow the initial PHA to continue to administer the assistance in areas outside of its jurisdiction, local law and regulations on portability preempt any jurisdictional limits under state and local law. The initial PHA may use another PHA, a private management entity, or another contractor or agent to help administer assistance outside of its jurisdiction.

### Administration by Receiving PHA

When a family moves outside of the jurisdiction of the initial PHA, the receiving PHA must issue a certificate or voucher to the family if it operates a tenant-based assistance program. If there is more than one such PHA with jurisdiction in the area to which the family is moving, the initial PHA may

choose the receiving PHA.

The receiving PHA generally has the option of issuing the family either a certificate or voucher. However, if the family initially received a certificate or voucher and is ineligible for admission to the other program in the receiving area, the receiving PHA must continue assistance under the same program if it is administering such a program.

The receiving PHA must determine the appropriate family unit size for the incoming family. The term of the certificate or voucher issued to the family may not expire before the expiration date of any voucher or certificate issued by the initial PHA, and the receiving PHA will determine whether to extend the term. The family must submit a request for lease approval to the receiving PHA during the term of the certificate or voucher issued by that PHA.

The receiving PHA will perform all program administrative functions, such as reexaminations of income and family composition. Either the initial PHA or the receiving PHA may make a determination to deny or terminate assistance.

### Billing

The receiving PHA may absorb the incoming family into its tenant-based assistance program, using funds under its consolidated ACC. or it may bill the initial PHA for housing assistance payments and administrative fees. HUD may transfer funding for the incoming family to the receiving PHA from the initial PHA's ACC., provide additional funding to the initial or receiving PHA, or require the receiving PHA to absorb the incoming family.
